

# PDS Hygiene's Bidet / Shower Chair

Designed for use with the  bioBidet

- Stainless steel construction complete with 4 height adjustable brake castors, hinged and height adjustable side arms and footplates.
- Polygiene coated polyester mesh seat and back support to prevent cross contamination and to assist with health and hygiene standards.
- Easily removable and machine washable seat and back support, including a spare mesh seat.
- The mesh and adjustable height means the bidet chair can be used over the Bio Bidet without the wash and dry function being compromised.
- Optional fully adjustable lateral support is offered to provide additional support and comfort if required.
